FIRE ENGINEERING MAGAZINE

THE ABILITY TO THINK THROUGH MODERN PROBLEMS USING PAST EXPERIENCE

A LIFETIME OF SEEING THE BEST AND WORST OF MAN

WILL TEACH AND MENTOR ANYONE WILLING TO LEARN

LUNGS THAT HAVE BREATHED MORE SMOKE THAN YOU MAY SEE IN A LIFETIME

KITCHEN TABLE CHATS THAT ARE **ABSOLUTELY PRICELESS!**

KNOWLEDGE OF BUILDING CONSTRUCTION AND FORGOTTEN RENOVATIONS

WILLING TO LISTEN AND OFFER ADVICE

A HEART THAT STILL BEATS WITH PASSION

SHOULDERS STRONG ENOUGH TO BEAR YOUR BIGGEST PROBLEMS

HANDS THAT HAVE COMFORTED THE SMALLEST CHILD YET HAVE HARDENED WITH YEARS ON THE JOB
